

Are you looking to connect with your local community, share a skill or meet new people?

Come along to one of our town centre events, meet local charities and try your hand at some volunteer taster sessions.

There will be lots of activities to get involved in from campaigning with Greater Manchester Fire and Rescue, repairing bikes with Positive Cycles Oldham or having a go as football coach with Stalybridge Celtic. There will be lots available, so pop on down and see what takes your fancy.

SATURDAY
2 JUNE 2018
