facilities

# Getting here

## Address

Fire Up Co-Working Space, Maclure Road, Rochdale, OL11 1DN

## Travelling by bus

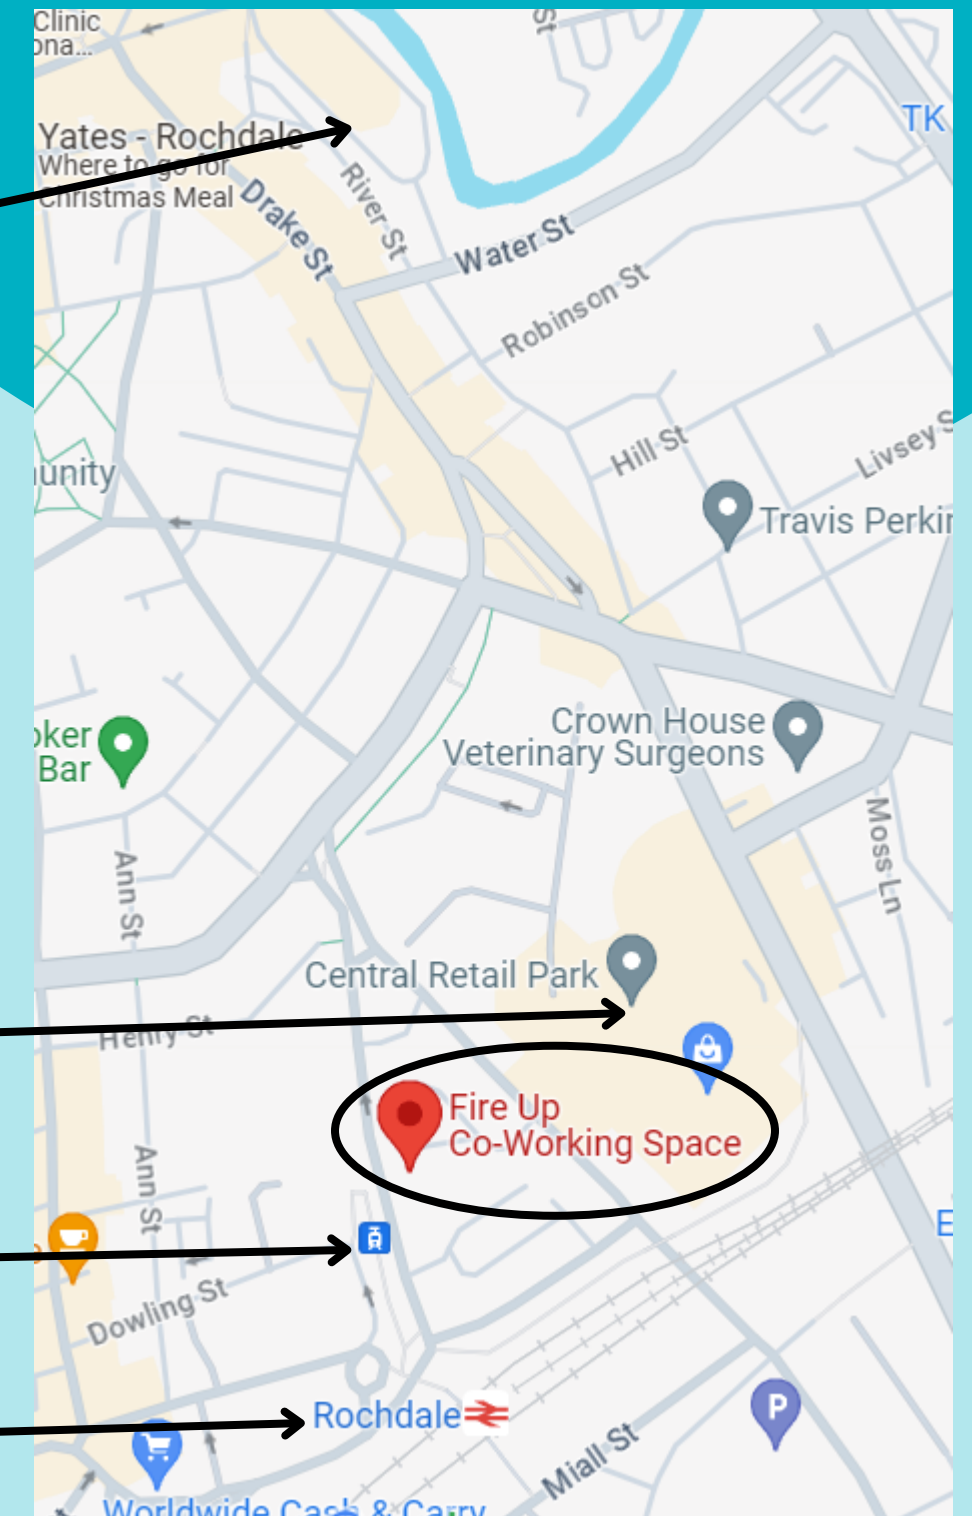

Rochdale Interchange is a 0.5 mile walk away. The 471 bus from the bus station stops just outside the train station.

## Driving

There are a limited number of parking spaces available onsite. Further parking is available at Central Retail Park (OL11 1DU).

## Travelling by tram

Rochdale tram stop and Rochdale train station are both around a 100m walk away.

# Building access (1/2)

The route from the carpark to the front of the building is signposted with purple and gold signs.

The entrance into the building is pavement level and the door opens automatically. You will need to press the bell symbol on the entry keypad to be allowed entry.

# Building access (2/2)

The stairs are on the left as you enter the building and have handrails on the left. The lift is signposted and is located along the corridor.

A button needs to be consistently pressed in the lift for it to operate. If this creates an access barrier for you, please inform us via email and we will arrange for a member of staff to meet you on the ground floor. The reception desk is located on the second floor.

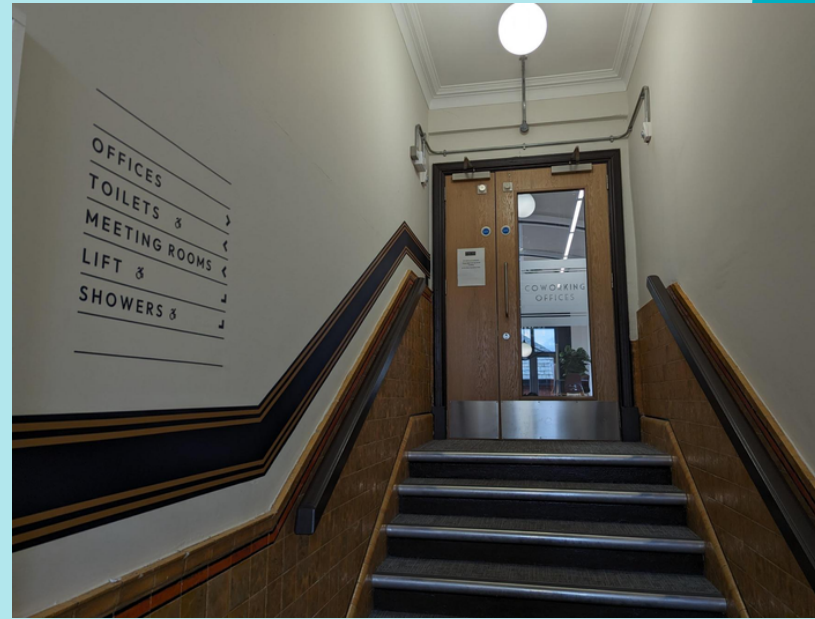

# Toilets

Accessible toilets are located on the first floor. Go through the door which is on the left at the top of the stairs, or straight ahead when you turn right when coming out of the lift, then turn right at the end of the corridor.

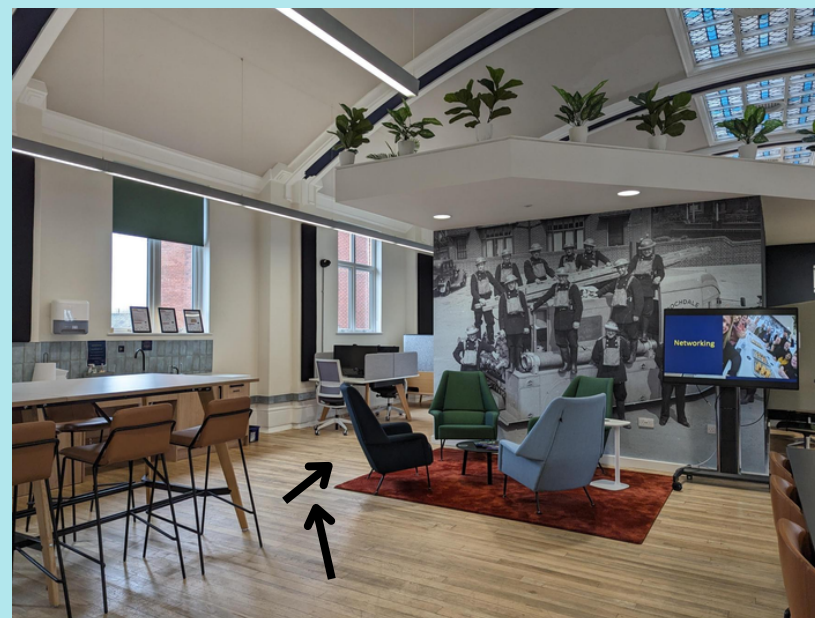

# Office space

The main office is on the top floor through the door at the top of the stairs. The lift door opens into the office just to the right of the main door.

There is a reception desk to the right, where a member of the Fire Up team can help you sign in.

The Action Together office is past the kitchen area on the left, in the second to last room on the right.

# Additional facilities

There is an accessible shower room located on the first floor. Turn right at the top of the stairs, then go to the end of the corridor. The accessible shower room is on the right.
