action together

action together for stronger communities

Oldham Community Spaces Directory

Action Together CIO (Registered Charity no: 1165512) continues the work of
Voluntary Action Oldham and Community & Voluntary Action Tameside

Action Together has put together this directory of community spaces to help voluntary and community groups locate great venues in which to run their vital events, services and meetings.

All the spaces available to hire are in the Oldham area.

We have tried to include as much information about the spaces. The information and prices are correct at the time of publication, but we recommend that you contact the venue for more up to date details, and book as early as possible as some venues are very popular.
