

**REAL
CHANGE**

By giving just a little you
could help a lot.

Let's work together to end
homelessness in

Oldham

Share, donate and find out how to get involved at:

Small change for you could be a **Real Change** for someone who is homeless

Homelessness is about more than people you might see in the streets. It could be the person who served your coffee, or sat next to you on the bus.

Donations to Real Change Oldham pay for essential items which people need to make a new start for themselves, get off the streets or avoid ending up there in the first place.

Everything given in Oldham goes directly to people affected by homelessness in our area, combining with other donations to make a real difference to someone when it is needed most.
