Getting here

Address

Medtia Place, 80 Union Street, Oldham, OL1 1DJ

Travelling by bus

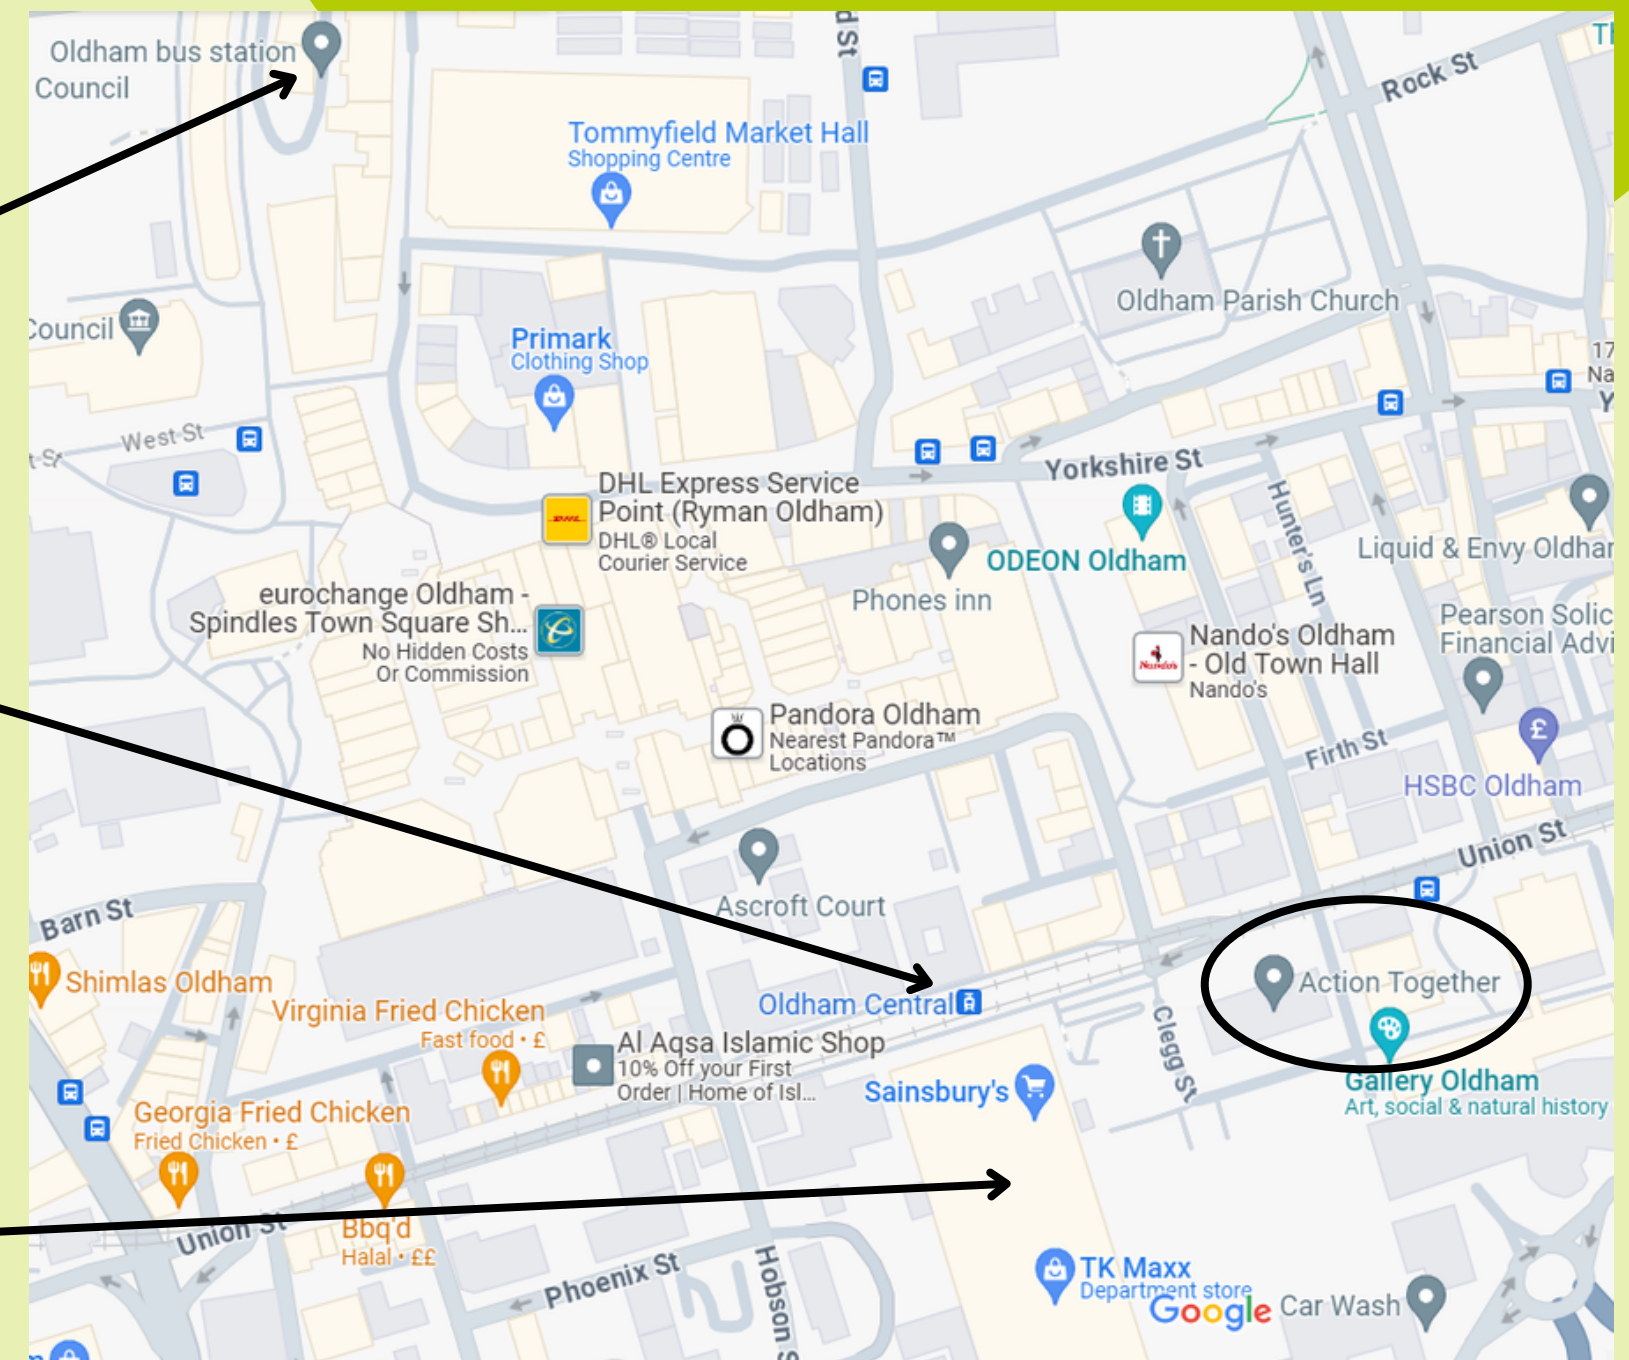

Oldham Central bus stop is a 0.4 mile walk away.

Travelling by tram

Oldham Central tram stop is a 100m walk away.

Driving

There is no staff parking at the Positive Steps building, but the Sainsburys just behind the building has free parking for up to 3 hours. To stay longer than this, you can book via Horizon Parking.

Building access

There is step and ramp access into the building, with hand rails on both.

The main door is a pull door, but is clearly visible from the reception desks. If you require assistance opening the door, please knock.

Lifts are located in the main stairwells.

Toilets

Accessible toilets are located on the ground floor - turn right as you enter the building, pass between the white booth and the glass cabinet, then follow the low wall to your right and head to the end of the short corridor. At the end, the door on your left is the accessible toilet.

There are additional male and female toilets available on each floor, and gender neutral toilets are on the ground floor directly opposite the left-hand entrance.

Our faith room is located on the second floor - turn left out of the stairwell and continue straight past the dining area. The faith room contains washing facilities.

There are kitchen facilities on all floors. We ask that people eat in the designated dining areas and use the cleaning materials available to leave the space as you found it.

There are small offices on each floor which can be used as quiet spaces. These are available on a first-come first-served basis.
